

The Next Step Christian Coaching Confidentiality Agreement

This coaching relationship, as well as all information that the Client shares with the Coach is bound to confidentiality by the International Coaching Federation (ICF) Code of Ethics, but is not considered a legally confidential relationship. The Coach will not disclose the Client's name as a reference without the Client's consent. Confidential information does not include information that the Coach is required by law to disclose.

Release of Information for CCI, CCN and ICF Certifications:

The Coach is pursuing a Christian Coaching Institute (CCI), a Christian Coaching Network (CCN), and an International Coaching Federation (ICF) Certification. That process requires the names and contact information of Clients, and a recording or transcript be submitted for review and verification by the referenced bodies.

By signing this agreement, you agree to have your name, contact information, start and end dates of coaching, and a recording or transcript of a coaching session submitted to CCI, CCN, and/or ICF for the sole purpose of verifying the coaching relationship and determining the competency of the Coach. The Coach will specifically seek verbal approval prior to sharing a coaching recording or transcript.
